Flagship Projects

The Global Project Resources (Pvt) Ltd:

Office complex incorporating green spaces and pedestrian pathways.

Water Treatment Facility:

A state-of-the-art water treatment plant at Arinma Vilas Resort Complex.

GPR 10M Ground Mounted PV Solar Power Project:

One of the largest solar power installations in the region, providing clean energy to the grid

Our Team

Our team comprises over 10 dedicated professionals, including civil engineers, project managers & outsourced construction workers and support staff. Led by our CEO, a veteran in civil construction, our team is our greatest asset, driving the success of our projects through their expertise, hard work, and dedication.

Achievements

Industry Excellence:

Recognized multiple times for innovation in civil construction.

Safety First Certification:

Awarded for our outstanding safety records and protocols.

Sustainable Construction Leader:

Acknowledged for our contributions to sustainable and eco-friendly construction practices.

Commitment to the Community

MF Construction Lanka (Pvt) Ltd., is deeply committed to giving back to the communities in which we operate. Through various initiatives, including local job creation, supporting education in the construction field, and participating in community service, we strive to make a positive impact beyond our construction projects.

Commitment to Quality and Client Satisfaction

At MF Construction Lanka (Pvt) Ltd., our commitment to quality and client satisfaction is unwavering. We understand that our success is measured not only by the projects we complete but by the relationships we build. Our approach is client-centric, ensuring open communication, transparency, and collaboration from the initial consultation to the final handover. We strive to exceed expectations, delivering projects on time, within budget, and above industry standards.
